... order to clarify its position on participant education. The bulletin indicated that the provision of *asset* *allocation* services does not cause fiduciary liability under the *Employee* *Retirement* *Income* *Security* *Act* of 1974 (*ERISA*). Nevertheless, many plan participants continue to expect specific investment recommendations, services not subject to the...

...the advisor renders individual investment advice based on individual needs.

Early DOL positions suggested that *asset* *allocation* services could constitute investment advice. Interpretive Bulletin 96-1 resolved the uncertainty by excluding *asset* *allocation* services from fiduciary liability under *ERISA*. Although the bulletin provides four safe harbors under which the provision of investment education services does not constitute investment advice--plan-related information, general financial and investment information, *asset* *allocation* models, and interactive materials--plan participants are demanding more from their advisors than is covered...
